

WHAT RMA'S CLIENTS HAVE TO SAY...

"Because of the regular auditing he does on our safety program, we continue to see a drop in our worker's compensation claim count and severity of injuries. Without reservation, we highly recommend Gary Heppner's services...."

— Sam Bettencourt, President and CEO, Stanislaus Farm Supply, Modesto, CA

"He has brought our safety program into compliance and assists in closing open lingering injury claims."

— Danny O'Day, President and Chairman of the Board, Valley Fresh Foods, Inc., Denair, CA

"Gary Heppner was the greatest contributor to my experience modification going from over 150 to as low as 79 percent. I appreciate and recommend Gary because I have witnessed first-hand how his program immensely contributed to our family business and bottom line...."

— A.J. Dejager, Vista Verde Dairy, Chowchilla, CA

"Stopping Injuries in Their Tracks" is a step-by-step guide to create your company's own successful safety program. It is laid out in a way that makes it easily adapted to your company's specific needs.

The program includes chapters that are concise and easy to follow. They are:

1. Overview: An Introduction to the Program at Large
2. Responsibilities of Supervisors, Lead Men/Women and Forepersons
3. Let's Stop Frequency in its Tracks.
4. Return to Work Program
5. Job Descriptions for all Employees
6. Accident Prevention Program
7. Clinic and Claim Adjuster Agreements
8. Safety Training Meetings
9. Disciplinary Action
10. Safety Committee Meeting
11. Going on the Offense
12. Troubleshooting

The complete program is available to download for \$199.

There are also many sample documents, including job descriptions, clinic and physician agreements and safety quizzes. All are easily reproduced to make implementing the program smooth.

The purchase of the program includes a mock OSHA-audit conducted by RMA. This will allow you to see where your current program is failing and identify problems that you may not have seen.

RMA also offers additional services, including leading an on-site kick-off of the safety program, auditing property and casualty exposures, and providing many safety training topics in Spanish.

Stop paying thousands of extra dollars in penalty premiums and put this program to work for you.
